

Requirements for Disbursement of Scholarship Funds

The following procedures must be followed in order to receive disbursement of scholarship funds for the 2010-2011 academic year. Please note that strict compliance with these procedures is obligatory.

On or before October 15, 2010, we must have received from you all of the following:

an official certified document issued by the Registrar of your college or university showing that you are a full-time student (a class schedule or a letter accepting you to your college or university is not sufficient), the mailing address to which to send your check, and your current e-mail address and phone number (in the event we need to contact you).

Upon receiving all of the foregoing in a timely manner, we will issue your check as promptly as possible.

If we have not received the requisite Registrar's certified document and all other required information on or before October 15, 2010, your scholarship will be forfeited . . . no exceptions.
